

Wernle Youth and Family Treatment Center has flourished for more than a century due to our responsiveness to the changing needs of those we serve. If you trace our history, you'll discover a vision that is as vibrant today as it was when we were first founded in 1879. We remain uniquely poised to strengthen the lives of youth.

The 140 Club - What is it?

In 2019, Wernle will be celebrating 140 years of serving the most vulnerable. In honor of this milestone and the philanthropy of young professionals, Wernle has marked this occasion with a giving society that honors young donors under the age of 40. Those that make a commitment of \$140 in each of the calendar years of 2018 and 2019 will be included in the 140 Club. The goal is to have 200 young donors for each year. Become our partner in rebuilding relationships and restoring hope for youth into the next decade!

The 140 Club is an initiative of Wernle's Philanthropy department.
